Good morning and welcome to services! We are so glad you are here. We are looking forward to our L2L recognition and sandwich supper to-night following services. We are so proud of all our young people who have been involved with Lads to Leaders and we're excited to share their accomplishments with the congregation. Next Sunday we will be honoring our graduating seniors. We hope you can stay after morning worship as we honor them. **Bring two of the following: vegetable, casserole, dessert or salad.** Also, be on the lookout for our summer 2025 calendar. It's hard to believe we are almost there! Hope everyone has a great week! DOUG

From Dan's desk:

"WHAT AMERICANS DO BEST"

Spending money is what Americans do best and it is the number one cause of divorce. Therefore it impacts our homes and the Lord's church. If we are worried about our finances, we are being harmed and our attention is being taken away from other things. I don't claim to be a financial expert but I do know the following: Just as there are physical and spiritual laws in the Bible, there are also laws of economics. As long as we respect the laws of physics we can survive and do well. If we obey God's spiritual laws we can go to heaven. If we recognize and obey the laws of economics we can pay our bills. Those economics laws do not change over time. The problem we are having as a nation is because many of the financial laws have been violated and now we are paying the price. Old sayings I heard as a child such as, "Sooner or later you have to pay the piper" or, "If you can't pay for it, don't buy it" or, "A fool and his money are soon separated" and, "If it sounds too good to be true it probably is"; are as true today as they were 50 years ago. But some have bought into the idea that they can have whatever they want and not have to pay for it. We live in a materialistic society. May God help us to focus more on the Spiritual life we have in Christ. **We may be the richest indebted society ever to exist.**

STEVE CAMP had a MRI last week. Good results
LU GANNON is seeing an oncologist concerning her recent surgery.
JOE HANCOCK is recovering from heart surgery.
CHARLES STEEN is undergoing tests on his heart.

A Preacher in Florida lamented that it was very difficult to get his message across to his congregation. "It's so beautiful here in the winter," he said, "that heaven doesn't interest them. And it's so hot here in the summer that hell doesn't scare them."

WELCOME**

THE YOUTH were in Dallas last weekend for **LADS TO LEADERS** and they will be honored at a sandwich supper tonight in the activity building with a program to follow.. Please bring sandwiches and either chips or deserts.

**Had You Been
Zacchaeus**

A familiar Bible character to many is Zacchaeus, the short man who climbed a sycamore to see Jesus. Noting Luke's account (Luke 19), please consider the following. Had you been Zacchaeus...

1. ...would you have sought Jesus out? (vs. 3) He didn't have to see Jesus, but he chose to. He had a real interest in the Son of God. How interested are you in the King of Kings and Lord of Lords?

2. ...would you have put forth the extra effort? (vs. 4) Zacchaeus was so determined to observe Jesus that he ran and climbed. Many today are lazy in regard to spiritual things. "Less is best" is the attitude of the mere pew warmers. Are you willing to exert effort in doing the will of God and advancing the cause of Christ?

3. ...would you have immediately obeyed the Lord? (vs. 6) When Jesus said "jump", Zacchaeus said "how high?" Not literally, but he did hurry down the tree at the command of Jesus to "make haste and come down." How obedient are you to the Lord's commands?

What if you had been Zacchaeus?
