

Good morning and welcome to services! Thank you to everyone who attended our Summer Youth Series this past Tuesday night. We hope you were encouraged by the singing, the lesson and the fellowship. I know my family was! We are looking forward to being together tonight for a youth (5th grade and up) gathering at our home! We will be enjoying burgers, swimming and great conversation. Thanks so much to our brother Doug Sumrall for so generously providing us with beef. It's definitely better than anything we can find at the store! We are looking forward to our Bible Class Teacher Appreciation dinner this Thursday. It's such a joy to honor those who have taught us so much! Have a great week. DOUG

Next Sunday marks the birthday of our country. We should all be grateful for a nation as America. We must all work to preserve an America that will ensure that our children and grandchildren will be able to worship God freely and uphold the things that are Sacred. America is truly the "Land That I Love." The future of this great country is in our hands. May we guard it carefully. DAN

From Dan's desk:

Thank you all for being a part of the assembly of Christians today. We have come to worship the Lord God of Heaven and we are glad that you are here to participate in the singing, prayers, observance of the Lord's supper contributing to God and for the study of God's Word. Our attendance continues to climb each week and we praise God for the tender hearts that gather with us to honor our Father in heaven and to be uplifted and admonished by those in attendance. We were happy about the recent decision of JASON Mc INNIS to be baptized into Christ. He is the brother of Shelly Franklin and we continue to pray for him that we will always be loyal and faithful unto our Lord. He was baptized yesterday was a week ago. Also responding to place membership with us last Sunday morning was BILL & LINDA HAWKINS. They have moved to the area from the Westside Church of Christ in Norman, Oklahoma. They are faithful Christians and have been attending for some time. We are excited that they have made this decision. They will be an encouragement to the Lord's Church here at Crockett Rd. Thanks to Preston Mc Elyea for speaking at the youth series last Tuesday evening. He did a great job and we are happy that we helped support him in the School of ministry at Brown Trail in Ft. Worth. He is the new preacher for the Mt. Vernon Church of Christ. I performed the wedding for his parents over 40 years ago. Lorelee Reeder will be out of the office for a while because of health issues and Eva Walker will be assuming her responsibilities until she is able to return from surgery. See you tonight at 6 P.M. "LIFE IS LIKE GRASS"

Throughout the Scriptures God reminds us of the frailty of human life. No matter how long we may live on Earth, our life is but a speck in comparison to eternity. To emphasize our brevity, the thought of grass is often used. For example: psalm 103:15 - *As for man, his days are like grass; As a flower of the field, so he flourishes.* Luke 12:28 - *"If then God so clothes the grass, which today is in the field and tomorrow is thrown into the oven, how much more will He clothe you, O you of little faith? I Peter 1:24 - because "All flesh is as grass, And all the glory of man as the flower of the grass. The grass withers, And its flower falls away. Just as the grass or flower soon loses its freshness; is withered or cut down, so it is with our physical life. This should not be a depressing fact, but rather motivation to do good and bring glory to God in the short span that we have. Also, for the faithful, it's a good reminder that the suffering and trails endured in this life won't be long. Hang in there. Love life and see good days. Serve the Lord.*
