

Good morning and welcome to services! Our group had a great time this past Tuesday evening at Summer Youth Series in Whitehouse. Our SYS theme this year is Inside Out and each lesson is so relevant to the lives of young people. We will be going to SYS in Bullard this week and will leave the building at 5:30 on Tuesday. Hope to see you there! We will be hosting SYS on 7/19 here at Crockett Road. This weekend we will be headed to Central Texas Children's Home for a weekend of work and fun. Our trip last year was a blast and the people at CTCH are such gracious hosts. We will have a meeting today following worship for anyone planning to attend. Today we are kicking off Bible Bowl practice for L2L 2023! We will be studying the books of Ezra and Nehemiah this year. We will be meeting at 4:00 in classroom 3. Hope everyone has a great week! AWAKE!!**

Several churches have instituted the use of SHOCK COLLARS for members who are caught sleeping in church. This fellow here is a repeat offender.

FINDING FAULT

One of the favorite "pastimes" for many is that of "FINDING FAULT". It is true of people in America, in the home, the church, at the work place and often among friends. Instead of searching for flaws, wouldn't it be better to search for the good things. Some are chronic complainers and the greatest JOY they often experience is endeavoring to search for the worst in folks instead of looking for the redeemable ones. Some complain about the food and service at the restaurants, weather conditions, length of sermons, song service. If someone gets preferential treatment, some are so envious and jealous they can't stand it. When they do search for the good, their main focus is on themselves, and not on others. What a horrible way of life. Those too often who are unhappy with themselves, do their best to make others feel that way. Such folks are known and often avoided by many. It might be well to take a look in the spiritual mirror to determine if our attitude might need an adjustment. With an attitude of looking for good and promoting others instead of self, one might find life worth living again and just might dismiss a lot of unhappiness from their lives. HOW ABOUT YOU? DAN

Only One Addiction

People are addicted to many things, alcohol, drugs (legal & illegal), nicotine, gambling, food, pornography, etc. All of these things can ruin your life. Look what Peter says, "promising them freedom while they themselves are slaves of corruption; for by what a man is overcome, by this he is enslaved." (2 Peter 2:19). So the goal of the Christian is not to be overcome or enslaved to anything.

This is a principle that not only Peter taught, but the apostle Paul said, "...I will not be mastered by anything" (1 Cor. 6:12b). But the big problem is that the alcoholic will not admit that alcohol controls him. We humans have the ability to deny the obvious.

We must continue to examine our own lives - that we have but one who has overcome us, only one who has enslaved us by His goodness - that is, Christ, and happily I will be enslaved. to Him who loves me so.

**WATERMELON SUPPER A
GREAT TIME OF
FELLOWSHIP**

From Dan's desk:

Thanks to all who stayed for the Watermelon fellowship last Sunday evening following services. Everyone had a great time and enjoyed the delicious "Pennington watermelons". Thanks to Mike Whitley, Marty Nash, Clayton Collins, Ben Rhone, Steve Camp and others who helped in any way with set up and clean up. It was a great evening with a good attendance. The summer heat is upon us and it appears that it will be like this for about two more weeks. Hopefully cooler weather will eventually arrive along with some much needed rain. Thanks to the Deacons for their recent work around the building with light fixtures, sprinkler system, door knobs, and other great works that often go unnoticed. Your efforts are truly appreciated. The youth will be hosting the annual East Texas area summer youth series here at our building on July 19th, Paul Cartwright will be the guest speaker. The high school had a lock-in here at the building last Friday evening. The young people had a great time. We will be taking the bus to "Rump's Restaurant" this coming Saturday evening. Sign the list if you plan to go. The air conditioner on the bus is working great. See you tonight.
