We love all of you and want to remind you about the youth rally that we will be hosting here on Tuesday evening July 24th. A week from Tuesday is coming up pretty soon. We will have a great number here. Mark it on your calendar. We will look forward to seeing each of you when we get back. BEN

“HAS YOUR FAITH BEEN TESTED LATELY”?

"That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ." 1 Peter 1:7

Remember these true teachings of God's Holy Word:

1. Circumstances in our life do not change the truth of God's word. His promises are still true even in the trial (Hebrews 6:17-20).
2. We have Jesus Christ, our high priest, at the throne of grace where we "may obtain mercy and find grace to help in time of need" (Hebrews 4:15-16).
3. God may not remove the trials but will supply grace to bear them (II Corinthians 12-7-9).
4. Any trials are light (like a feather) and just for a time. Stay true to God and that will "work for us a far more exceeding and eternal weight of glory" (II Corinthians 4:17).
5. You can "cast all your care upon him; for he careth for you" (II Peter 3:7).
6. Remember the inspired words of Paul. "We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed" (II Corinthians 4:8-9). DAN

2 respond for prayer and membership
Visitors are always welcome.

From Dan's desk:

The wonderful rain that has come in recent days has been a welcome sight. We have been praying that God would send the much needed participation and that He has done. The month of July has been somewhat unusual. The cooler days we have experienced along with the rain has been a tremendous blessing. Last Sunday BRENDA BEASLY expressed her desire to place membership with the congregation here. Brenda grew up in the church here as a child, was baptized and we welcome her back home. We are happy to have her in the congregation here. Brenda, as many of you know, is the daughter of Patsy Bush. Also responding last Sunday morning was DENISE CARROLL, who responded asking for the prayers of the Lord's church here. One of the great blessings God affords us is the blessing of congregational prayer for others. We commend Denise for her decision to draw closer to the Lord and to acknowledge her need to confess fault and ask for the prayers of the church family. It was good to have Bro. Shak Arrington who spoke to us during the summer speaker series last Wednesday night. We had a good attendance and a great lesson. After services we gathered in the small fellowship Hall to celebrate the 91st birthday of Sue Grubbs. Pam had planned this for her mother and it was a nice gesture. We shared cake, punch and ice cream. Tomorrow night I will speak for the Black congregation in Longview. They invited me to be a part of their lectureship. Martin King is the local preacher there. We are taking a bus. If you would like to go along please sign the list on the bulletin board. We will go early and eat together then on to the church. Thanks for being here this morning. See you tonight at 6 P.M. DAN

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts." Thanks again for coming.

THE PROGRESSION OF SIN

Nations do not fall into a state of moral decay overnight: a definite progression of sin can nearly always be observed. This progression may be seen in four distinct stages:

SHOCK: The first reaction of decent folks to ungodly behavior is one of SHOCK. People simply can't believe what their eyes are seeing and their ears are hearing. We don't have to think back very many years to remember some things that don't raise an eyebrow nowadays which would have shocked the general public only a few short years ago! Shortly before they went into captivity, God said of His people Israel, through the prophet Jeremiah, "*Were they ashamed when they had committed abomination? Nay, they were not at all ashamed, neither could they blush*" (Jeremiah 6:15).

TOLERATION: When God's Word is not honored, shock gives way to TOLERATION. We still may not like something, but after the initial shock wears off, we put up with it! When God's Word is not held up as the standard to determine right from wrong, who is to say what's right or wrong? We don't want to be labeled bigots, so we swallow hard and keep our mouths shut. However, God does not overlook sin (Acts 17:30-31). **ACCEPTANCE:** Toleration will soon be replaced by ACCEPTANCE. The majority approves of that which once was unacceptable. At this stage, we may not even realize a change in values has occurred. Passages like Romans 1:21 indicate that approval of sin puts one into the same category as those who practice such sins!

PARTICIPATION: The final stage is PARTICIPATION. After all, if you can't lick 'em, you may as well join 'em, right? Behavior that was before repulsive, becomes an accepted lifestyle. Did it happen that way to Sodom and Gomorrah? Stop and think a minute: how far the USA has fallen in the last few decades! What stage are we now in? (I'll give you a clue: it probably isn't the first one!) Selected
