

Teen News

Alison, Lily and I have been on vacation this last week. It has been refreshing to be away for a few days of rest and relaxation. We look forward to being back with all of you soon. We have been in Gulf Shores, Ala. It is really beautiful there and we appreciate your prayers while we have been gone for the last few days. We continue to receive contributions to the youth fund. We will give an update on monies raised from the car wash next week.

For a couple years I've been blaming it being tired on lack of sleep or too much pressure from my job, but now I've found out the real reason that I am always tired. I'm overworked.

The population of this country is 237 million. 104 million are retired. That leaves 133 million to do the work.

There are 85 million in school, which leaves 48 million to do the work.

Of this there are 29 million employed by the federal government, leaving 19 million to do the work.

2.8 million are in the Armed Forces, which leaves 16.2 million to do the work.

14,800,000 people work for State and City Governments. That leaves 1.4 million to do the work.

At any given time there are 188,000 people in hospitals, leaving 1,212,000 to do the work.

Given that there are 1,211,998 people in prisons, that leaves just two people to do the work, you and me.

And you're sitting there reading this church bulletin.

WELCOME TO OUR WORSHIP
SERVICES TODAY
WE ARE GLAD YOU ARE HERE

From Dan's desk:

Our meeting in Winnfield was great. I appreciate the brethren in the Bethel church of Christ for their love and deep commitment to Christ. I have worked with the church there in similar efforts before and have come to love and admire their faith and service to our Lord. My gratitude is given to Those who filled in while I was away. Thanks to Ben Rhone, Dwight Franklin, Kyle Lock, Marty Nash, Jerame Gipson, Henry Baker, Bill Hawkins and others who helped. If you are visiting with the Lord's Church here today, we want you to know you are welcome and we hope you will return upon your earliest convenience. We have been blessed this Summer with several visitors from other congregations and it is always exciting to have new faces among us. So many good positive things continue to happen among us. Accomplishments are the result of people working together for the cause of Jesus. We commend those in the church who continue to labor in areas that are often unseen. God knows what we are doing and He rewards us openly. Thanks for your continued encouragement. We will look forward to having you back tonight at 6 P.M.

SYMPATHY

“WATCH YOUR WORDS”

Sins of the tongue are among the most commonly mentioned sins in the Bible. Sins of the tongue are among the most commonly committed sins among mankind. It is so easy to slip up and say something untrue, unkind, unnecessary, yet, hurtful. Some years ago the sound man in a church aggravated because the speaker was dragging his feet in getting started. In his impatience he said: "Go ahead you old goat." He did not realize that his own microphone was on, full volume. The whole congregation heard the words distinctly and laughter filled the auditorium. The "goat" heard it too and joined in the laughter in a good natured way. Many humorous incidents have occurred through the years where someone forgot that a portable microphone was still on. Some not so humorous incidents have also occurred where something unkind was said and unintentionally broadcast via a live microphone. I know of a recent incident where one individual sent email to another person, sharply criticizing a third party, and the email was accidentally carbon copied to that third party. It was an embarrassing incident .If we knew that our words spoken about another person were going to be broadcast to the whole church, would we speak differently? Would we tone down the rhetoric? Would we be less prone to jump to conclusions? Would we criticize less? Would we be less judgmental? Would we be more positive than negative? Would we look for the good rather than search in hopes of finding the evil? I think so. What we need to remember is that the microphone is always on with God. While other people may not hear our words, God always hears them--and he even hears our thoughts.
