

Teen News

Thank you all for being here this morning. I'm glad we got some rain this week. God is Good! I want to encourage the youth to invite as many friends as you can to attend church with you. You never know who you may lead to Christ. Thanks to those young men who helped with singing night the other Wednesday. You all did a great job and every one is proud of you. You may not know it, but it was very encouraging to see you stepping up and leading. We have a great group of youth in this congregation and its amazing to see each of you grow spiritually. Keep the faith!

“GENUINE”

The Word of Jehovah teaches that we are to be genuine in our faith. “Let love be without hypocrisy” (Rom.12:9, ASV). “Having purified your souls by your obedience to the truth for a sincere brotherly love, love one another earnestly from a pure heart” (1 Pet.1:22, ESV). “The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith” (1 Tim.1:5). “I speak not by commandment, but by occasion of the forwardness of others, and to prove the sincerity of your love” (2 Cor.8:8). However, being authentic and sincere in our walk with the Lord has never been a license to continue in sin. Those who lay claim to being authentic often times are doing nothing more than cheapening the grace of God! Being an authentic Christian means that I have become dead to sin, and no longer seek to live therein. “What shall we say then? Shall we continue in sin, that grace may abound? God forbid. How shall we, that are dead to sin, live any longer therein” (Rom.6:1-2). God gives grace so that we may come out of our sins, not so that we may continue in them! “Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you” (2 Cor.6:17). Authentic Christianity demands repentance, not rebellion; reformation, not rationalization. To claim to follow Christ, yet refuse to give up sin, is as disingenuous and hypocritical as you can get! Is your faith and obedience to Christ truly genuine? That is the only kind of faith that saves.

Lads To Leaders Spaghetti Supper

These young people along with others not pictured did a fantastic job preparing the meal and serving. Thanks to all of you.

**Spaghetti Supper was a great success.
Thanks to Lads to Leaders**

From Dan's desk:

We thank you for coming today to join us in worship to God. If you are visiting today, we hope you will come again. We appreciate you coming. The Lads to Leaders Spaghetti supper was tremendous. Everybody is still talking about how much they enjoyed the evening. The food was delicious and the SERVICE was the best we have ever seen. The kids did an excellent job along with parents who were overseeing this venue. Isn't it great to know that we have so many young children and teens working in the Kingdom of God? God bless all of you and those who work with this effort. September has finally arrived and the much needed rain that fell last Sunday night and other days in some parts was a welcome sight. The farmers and ranchers were deeply grateful for God blessing their pastures that will help provide food for their cattle. The Lord God always knows just when to send and meet our needs. We are so thankful to Him for all the blessings that come to us each day of our lives. Your generosity in giving to the Ellis family is overwhelming. Elsewhere in the bulletin you will find the amount given to this family. They are moved by your kindness and love and will forever be grateful for the kindness shown. God always blesses those who bless Him. Clint continues to improve from his recent kidney transplant. We have several others who are seriously ill and in need of our prayers. God is a great physician and brings healing to those who call on Him. Remember all of these in your petitions to our Father. Our Ladies Bible class resumes this Tuesday morning. I hope that you will want to be a part of the class this year. We have several lessons planned to encourage and lift your spirits. See you tonight. DAN
