Am I Giving My Best?

And first gave themselves to the Lord and then to us by the will of God." (II Corinthians 8:5). I read that Queen. Mary used to go to Scotland every summer. She was so loved by the people that she went about the country without an escort. One afternoon she was walking with some children. Suddenly dark clouds came up. The queen stopped at a house and asked to borrow an umbrella. She said to the lady of the house, "I'll send it back to you tomorrow." The lady was reluctant to lend a good umbrella to a stranger, but remembered that she had an old one in the attic. One rib was broken and there were several holes in it, but she turned it over to the lady at the door with an apology. The next day there was another knock at the door. When she opened the door, a man in gold braid stood with a big envelope in hand. The queen sent me," he said, "and she asked me to thank you for the umbrella." For a moment the woman was stunned and then she burst into tears. She said, "Oh! What an opportunity I missed that I did that I did not give her my best!" Are you giving your best to God and the Church. Read Matthew 6:33.

Welcome Visitors To The Crockett Rd. Congregation

From Dan's desk:

We welcome the Dogwood Trails visitors to our services today. We want you to know how much we appreciate you being here. The Dogwoods are just beginning to bloom and over the next couple of weeks they should be at their peek. We had a lot of early visitors last weekend and many of those stayed for the luncheon. We appreciate James and Sandy Singleterry as well as helpers Ike and Joyce Weatherly, Fred and Beth Freeman, Pam Boyette, Marty Nash, Deanna Chapman, Lois Duzan, Jane Davis, Charles McCullough. Everyone really enjoyed the good food and fellowship. **Monday Night For The Master** will take place one week from tomorrow night. We will meet at the activity building for the evening meal at 6:15 P.M. and work between the hours of 7 P.M. till 8 P.M. If you would like to give of your time and effort, we would appreciate you being here. We appreciate all those who work with the local "Stock Pot" and provide a meal for the homeless and hungry each Monday. This is a good work and we are thankful that we can be a part of this ongoing effort. A special thanks to Jerry & Marlene Thompson, Millie Baur, Sue Grubbs, Willette Mitchell, Pam Galloway & Bobbie Edge. Your efforts are appreciated more than you know. The Tipton Children's Home truck came last week and picked up the items that were donated by the church here. The items given, filled the truck to the brim. Your outpouring of love for those in Tipton is greatly appreciated as well. The home offers an opportunity to young children to have the essentials of life that they would not have otherwise and the greater part being an opportunity to learn about God and live in a Christian atmosphere. "GOD IS NOT AN IMPERSONAL IDOL"

Many of us have heard the preacher story where the wife asks her husband why he never tells her he loves her. The husband replies; "that's not true. Thirty two years ago when we got married I told you I loved you and if I ever change my mind I'll let you know!" We smile at this story because we know the underlying truth; it is more important for a husband and wife to daily show their love for each other, than it is to say "I love you" every day, and then fail to demonstrate that love via tangible actions. In a similar way, it is the consistent outward demonstration of love that makes Christianity unique among religions, and Christians unique among men. Christianity is a religion of love. God demonstrates his love daily! He revealed His love to us by assuming human form, giving himself as a sacrifice. Still, today, He reveals His love by reconciling us to Him and extending His saving grace to all who are willing to accept it! There is no other religion whose God is so willing to demonstrate his love, which He did by handing Himself, via His Son, over to His creatures as an example of that love. The heart of Christianity is the heart of Jesus Christ, both human and divine. Jesus is not a theoretical being; He is not an impersonal idol made of stone; nor is He a far-away divine being, casually observing the trivial lives of earthlings. He remains front and center as a demonstration of the transcendent love of God. He is the doorway that allows us to enter into an intimate relationship with God the Father. Jesus took it upon Himself to show us the mercy of God by taking on the punishment each of us has brought on ourselves because of the sinful lives we lead. Jesus lived as we live, walked as we walk, suffered as we suffer, and was tempted as we're tempted, yet remained sinless. Everything He taught He lived. He was and is the perfect example for us. His unselfish act is still difficult for us to comprehend, enduring insults, beatings and the rejection of friends. He poured out His life in an unmatched act of love for a world that was not worthy to behold Him. His entire life, but especially His passion and death, stand as the ultimate demonstration of love. Let us love Him in return.
