Afterwards we will have a devotional and play games. Feel free to invite your friends. “ARE YOU SEARCHING?”

We focus a lot in the church on what you are doing to make sure you get yourself to heaven, but just as much importance should be placed on what you’re doing to get *other* people to heaven. What have you done lately to “seek and save that which is lost” (Luke 19:10)? A lot of people get discouraged because it’s hard to get people interested in hearing about the Gospel. Some people get discouraged because they get embarrassed or scared to teach someone. Just remember one thing: Sometimes you don’t find anything, but when you find something of value, it’s worth the search. One lost soul returning home to God is worth the search and the hard work. One lost soul returning to God is something that we should rejoice about (the angels do). It’s time we start placing the value on God’s people that they deserve. It’s time we start searching for the people that need the help and love of Jesus Christ. It’s time we start saving the world from the devil. God obviously thought that you were worth the trouble of sending His Son to die for our sins. It’s time you take out your Bible and start searching for treasure. When you find something as valuable as a soul, it’s worth the search.

ARE YOU SEARCHING?

REFOCUS-RE-ENERGIZE

I’m thankful for the chance God has given us to gather together and get our minds focused on Him here at Crockett Rd. We all have busy schedules and we all tend to lose our focus on God, but it’s amazing what a few hours of Bible study, singing, praying and fellowship can do. It helps get us through the next week. It helps encourage me to be a better person and a better Bible student. I’ve heard it said that Sundays are like a tall glass of water after a long day out in the sun. It’s refreshing, re-energizing, and rejuvenating. Brethren, if you ever feel like you just can’t possibly go on any longer, if you can’t seem to keep control of what’s going on around you, if life just seems to never give you a break, remember that the Lord will provide your strength and refuge! “The LORD is my strength and my shield; my heart trusts in Him, and I am helped. My heart leaps for joy and I will give thanks to Him in song” (Psa 28:7). The Lord is where we find joy. It’s the Lord where we can find the strength to press on through whatever the world may throw at us. And what better place to get that strength than with the brethren at worship service? David wrote, “I was glad when they said to me, ‘Let us go into the house of the Lord’” (Psa. 122:1). We understand that Gatorade, Powerade, Vitamin Water, etc., all help us re-energize after a long, hard workout. Then why don’t we let the Lord re-energize us after a long, hard week of being in the world? There is no better place to be on Sundays and Wednesdays than at worship, worshipping with the saints. Not because we have to, but because we get to approach God in song, in prayer, in study, and we get to give Him our worries and cares. The Lord’s day is the best day of the week!

Maybe it’s time for you to revitalize!

One Places Membership Sandwich Supper tonight after services to honor Lads To Leaders and Leaderettes

From Dan's desk:

Last Sunday proved to be a wonderful day. We had a tremendous attendance and it was great that J.T. Grumbles placed membership with the congregation here at Crockett Rd. We welcome him into our fellowship here and we are glad that he has moved to Palestine. We know that his mom, Jane is excited about him being close. The young people did a fantastic job at "Lads To Leaders" The Leaderettes did a great job as well. We will have the fellowship sandwich supper tonight and special awards will be given to those who participated. A big thank you to all of those who worked with the young people in any way. They were, Clint & Jonna Satterwhite, Billy & Amanda Lane, Kenyetta Jenkins, Katy Holmes, Brandon & Holly Franklin, Adam & Lisa Krunnow & Doug & Alison Rader. This was a great event and we are so proud of all of you. Thanks to Sandy Singleterry, Shelly Franklin and Ann Mottern for hosting the meal at Monday Night for the Master. The Pizza and salad are always good. We got a lot accomplished as we always do when people work together. After the month of May we will again take a break for the summer months and resume again in the month of September. It has been a good year and many have participated and that is great. The month of May is just around the corner. Hopefully all the "stormy weather" will be over soon. Many were without electricity and all of us in Palestine were without water. Many were without water and electricity for a couple of days. How often we take for granted the things of life. This was obvious from what happened last week. Thanks for coming today. We hope you will come again tonight. DAN

PLEASE TURN OFF ALL CELL PHONES

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts." Thanks again for coming.

THE BROWN FAMILY

Mr. and Mrs. Brown had two sons. One was named Mind Your Own Business & the other was named Trouble. One day the two boys decided to play hide and seek. Trouble hid while Mind Your Own Business counted to one hundred. Mind Your Own Business began looking for his brother behind garbage cans and bushes. Then he started looking in and under cars until a police man approached him and asked, "What are you doing?" "Playing a game," the boy replied. "What is your name?" the officer questioned. "Mind Your Own Business." Furious the policeman inquired, "Are you looking for trouble?!" The boy replied, "Why, yes."

BLESSED BEYOND MEASURE

We often expect so much out of life. Sometimes it's in our weakest moments that we learn the most, and maybe teach others a little something too. We think health means I can accomplish more, but often times, it's in our sickness that we learn to draw closer to God. We think money can buy happiness, but it's in the times that we struggle that we learn to pray to God for help. We think the more the better in life, but sometimes it's the simple things that make you enjoy life the most. Look around you. Do you have a family, friends, a job? Do you have a home, money to buy groceries, and clothes to wear everyday? You may not have everything you want, but I guarantee you have everything you need. The way of the Lord is a unique one. We think we know everything. We think that, I am the source for all my prosperity. But God has a way of showing us who's in control. Paul learned this very lesson when he wrote in Philippians, "Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content" (4:11). We can want all we want, but God will give us exactly what we need to survive! Are you content with the Lord's way? Or are we constantly trying to do things my way? Jesus says, "I am the way, the truth and the life. No man comes to the Father except through Me" ([John 14:6](#)). Jesus is the way. I trust His way is better than mine. And when we understand that, we understand that "I am, among men, most richly blessed." DAN
