MOMMY TO MOM TO MOTHER

**Real Mothers don't eat quiche;
They don't have time to make it.**

**Real Mothers know that their kitchen utensils Are
probably in the sandbox.**

**Real Mothers often have sticky floors,
Filthy ovens and happy kids.**

**Real Mothers know that dried play dough Doesn't
come out of carpets.**

**Real Mothers don't want to know what
The vacuum just sucked up.**

**Real Mothers sometimes ask "Why me?"
And get their answer when a little
Voice says, "Because I love you best."**

**Real Mothers know that a child's growth Is not measured
by height or years or grade...It is marked by the
progression of Mommy to Mom to Mother.**

Mother's Day

VOLUME 45

NUMBER 17

MAY 10, 2009

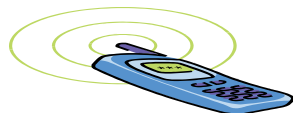

“HAPPY MOTHER’S DAY”
God Bless you all

From Dan's desk:

Good morning and “Happy Mother’s Day” to all mothers this morning. We are glad you are here. Our world has been blessed by Motherhood and by God’s design for the continuing of the human race. This would be a good time to pause and say thank you to the one who brought you into this world. If your mother is no longer with you, it would be a great time to reflect upon the many memories of your mother. All too often, mother is forgotten. I hope you will choose to remember her. This morning I will be bringing a lesson on the subject of “MOTHER”. Our Tuesday Ladies Bible class will have its last meeting next Tuesday morning and a luncheon is planned for all those who have been coming. We hope you will want to be present for our last meeting until next September. Details are found elsewhere in the bulletin. I appreciate having the opportunity to speak last Saturday at the Southeast Texas Lectureship. It was a great event. See you tonight.

PLEASE TURN OFF ALL CELL PHONES
OR PUT THEM ON VIBRATE.
