SCHOOL IS OUT!!!!!! I hope you all have a great summer! Many of you have jobs this summer and I wish you all well and encourage you to work hard. **Ephesians 6:6** says: *Don't work only while being watched, in order to please men, but as slaves of Christ, do God's will from your heart.*

This verse is talking about work. It challenges us to not just do a good job when our boss is watching us or when there's profit for us, but rather to be doing a good job all the time. We should be working hard and doing a good job because we want to do the right thing for God. Challenge yourself to work hard and do the right thing, regardless of who sees. Choose to live your life to please God. Thanks for being here this morning! BEN

"MY BIBLE IS IN MINT CONDITION"

You have heard it said often, "A Bible that is falling apart belongs to someone whose life is not." If our Bibles are in mint condition, that means they are not being studied. It means it is not being carried to church and Sunday School. It means it is not being opened to study with others. It means we view the Bible as something of a collector's item, to be put up on a shelf and just be looked at, but never read. That is not what God gave us the Bible for. The prophet Hosea lamented, "My people are destroyed for lack of knowledge..." (Hosea 4:8). The Berean Jews were praised because "they received the word with all readiness, and searched the Scriptures daily to find out whether these things were so" (Acts 17:11). We all need to read the Bible often and daily. It will help you through your difficulties in life and help you have a deeper understanding of our God in Heaven. How often do you read the Scriptures? Jesus in John 5:39 said, "Search the scriptures, for in them you think you have eternal life and they are they which testify of me." So what kind of condition is your Bible in? DAN

Memorial Day

by Billy Elliot

“And these are the names of the mighty men who David had” (2 Samuel 23:8).

Certainly there is a time for the remembering and recognition of those who serve their country faithfully. David had a valiant army of men who were led by devoted captains. But as a great military leader, he knew the value of recognizing his men. Within the context of mentioning of these men, there is an indication of the kind of loyalty and devotion his men had for David. David remembers how the water from a well in Bethlehem tasted and longed for it. Three mighty men of David broke through the lines of the Philistines and brought David some water from that well. David realized the serious nature of what had taken place and he could not drink the water. Instead, he poured the water out in worship to God. Such devotion and bravery brings one to give himself up for the one he loves. What could we do in the service of the Lord if we had such devotion and bravery? Do you love the Lord? Each month of May, the U.S. pauses to remember the gallant and brave men and women who have given their lives for this great country. Americans enjoy the blessings of living in a free democracy. Let us be thankful for those who have given their lives and those who help preserve our freedoms. Yet, at the same time, may we rekindle our allegiance to the One who died to set us free from sin, even Jesus our Lord and Saviour.

MEMORIAL DAY.
Thanks for being here this morning

From Dan's desk:

Tomorrow is the official “Memorial Day” for our country. We take the time to remember those who have given their lives for the preservation of freedom. Through the years many have died on foreign fields away from their families. Some have died stateside also. We remember the sacrifices that they have made and their deep commitment to our country. Many families will be remembering their loved ones on this day. We ask that you keep them in your prayers. Today is the greatest Memorial Day ever given to the human race. It is the Lord’s Day. We come together as a church family to honor the Lord Jesus who made the greatest sacrifice for the Church. He too gave His life for us. We gather each Sunday in honor of His death on the cross and to honor His resurrection from the dead. Jesus said in the giving of the unleavened bread and the fruit of the vine, “Do this in remembrance of me”. This morning as is the case each Sunday, we will observe the supper of the Lord Jesus. This morning, I will be speaking on the subject, “THE LORD’S SUPPER”. We will reverse the order of our service this morning. I will present the sermon and then following, we will observe the Lord’s Supper. Sometimes we have a tendency to forget what the Lord’s Supper is all about and this morning, I want you to be challenged to a deeper understanding regarding this beautiful memorial. Paul Cartwright, former youth minister here, will be leading us in song. He is the son of Wayne and Carol Ann Cartwright. It is good to have him with us.

THEY CALL HIM JESUS

There are many people today who do not believe that Jesus Christ is the Son of God. However, in the first recorded gospel sermon in the Book of Acts, the apostle Peter proved that He was beyond any shadow of a doubt. That sermon is recorded in Acts 2:22-36 if you would like to read it yourself. Peter made three arguments to prove his case about Jesus being God’s Son. First, he appealed to the miracles Jesus performed which proved He was “a Man attested by God” (Acts 2:22). Second, he appealed to the prophecy of David in Psalm 16:8-11 which foretold the death and resurrection of God’s Holy One. Peter showed that it was speaking of the Christ who would rise from the dead, ascend into heaven, and sit on David’s throne ruling over the kingdom of God. Third, he appealed to the unimpeachable eyewitness testimony of himself and the other apostles that Jesus really had arose from the grave and was now “both Lord and Christ” (Acts 2:36) as the Old Testament had foretold. Based on this powerful gospel sermon, 3000 souls believed the gospel, repented of their sins, and were baptized in the name of Jesus Christ for the remission of sins (Acts 2:38, 41). Will you not submit to Jesus as Lord and Christ today? DAN
