TEEN NEWS

Good morning and welcome to services. We are so glad you are here! Our group had the best time carving pumpkins last Sunday night. The weather was perfect and the fellowship was wonderful. We always have such a great time together. Be sure and mark your calendars for this Saturday night for our Halloween party. Also, be sure to plan for trunk or treat this Wednesday night. We hope everyone has a great week!

ARE YOU LIVING UP TO YOUR COMMITMENT?

We know that using the Lord's name in vain is a sin. In Exodus 20:7, God made it the third commandment of the Law of Moses. "You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain." So, why do we treat this command so flippantly? We will say we love and fear God and then follow His holy name up with all sorts of vulgarity. Maybe we just don't understand the significance in the name of God.

In the Bible, we see many names given to the Lord. He is called ***Yahweh***, which means "I am." He is the uncreated Creator. There was nothing before Him (cf. Isa. 43:10). There is none like Him. God is.

He is called ***Adonai*** which means "lord." "O Lord, our Lord, How excellent is Your name in all the earth, Who have set Your glory above the heavens!" (Psa. 8:1). He is our Master. He is our highly exalted God. He is worthy of our service and worship. John 4:24

One of the ways we take the Lord's Name in vain is to make the commitment to become a Christ and then not live up to your commitment. Too often we get busy with mundane things and forsake the responsibility to worship and praise His Holy name.

VOLUME 01 NUMBER 43 Oct. 25th 2026

November will arrive next Sunday. Various events are planned for this month.

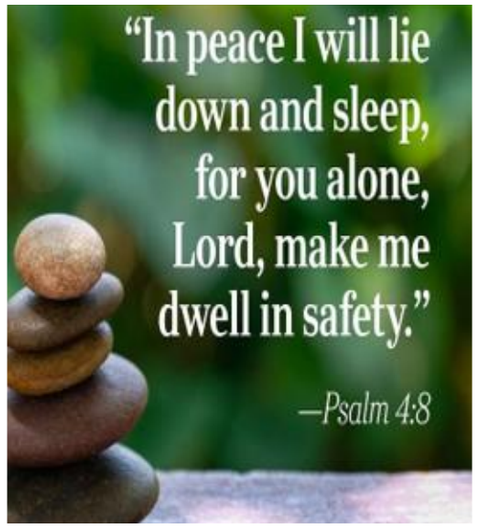

It is hard to believe that the month of November will be here again next Sunday. Many of the activities we plan are in the month of November and December. We hope that you will want to join us in as many as you can. We will detail them each week. The Annual Luncheon for the "Single and Single Again" will take place later this month.(November). It is a highlight and we will tell you more about this later. The clock may fall back one hour, but let's not allow our reponsibilities to fall or be neglected. We have so many in the congregation who are working tirelessly to do God's bidding. We commend you for giving of your time and talent to serve the Lord. The youth are staying busy with various events scheduled for them under the leadership of Doug and Alison Rader. A busy church is a happy church, where much is accomplished by those who are members. The congregation here is involved in many things that promote our spiritual health and the enlargement of the church. Thank you for coming to worship today. We always want to encourage you to attend on Sunday evening. We miss you when you are not here. Make that effort tonight. DAN

A church was trying to raise money for a new building. The preacher announced to the congregation that whoever gave the most money to the building fund would be able to pick out three hymns for the Sunday service. A week later, the preacher announced the results of the fundraising campaign. "I am happy to announce that we have raised enough money for the new building," he said. "And I want to thank the person who gave the most money, Mrs. Johnson. Now, Mrs. Johnson, please come forward and pick out your three hymns." Mrs. Johnson walked to the front of the church and looked out at the congregation. "I'll take him, him, and him," she said, pointing to three young men in the front row.
