

Guest Speaker, BUDDY RAY will be speaking this Weds. Night. Please plan to be with us in the church auditorium.

From Dan's desk:

The month of June will arrive tomorrow. We have a lot planned for the congregation her in June. This coming Wednesday night BUDDY RAY will be our guest speaker in the summer series of Speakers. Buddy is from Murphresboro Arkansas. Buddy has been a coah and a Minister of the gospel for several years. He joins us in the Give Me The Bible telecast each week. We appreciate the good work that he is doing and you will enjoy his presentation. Everyone will meet in the church auditorium. We want to encourage each of you to join us. It is always embarrassing when we invite someone to come speak and the church does not show up. We plead with you to make a special effort to be present. Preachers often rotate in the summer months as we are doing. I will be speaking that night to the church in Big Sandy. It is always great to be in worship and we appreciate all of you who have come. The young boys will lead the service Weds. Night in the chapel. Plan to be with us DAN.

What Makes America Great?

This week is the anniversary establishing the wording of the Pledge of Allegiance to contain the phrase "one nation under God." This reference to God has been challenged repeatedly in the court system but twice has been upheld by the Supreme Court as reflecting the view of the founders of this great nation. From the very beginning our forefathers saw that the destiny of our land was tied to faith in God. Thousands of years before this nation began, the Ruler of the universe established the conditions of true greatness. He said, "Righteousness exalts a nation, but sin is a reproach to any people" (Pro. 14:34). In our arrogance we have thought our place in the world has been determined by our own merit. The truth is that we have shaped the world because God exalts righteous nations!

There is the other side of this issue and that is how God handles those He has exalted when they forget Him. David said, "The wicked shall be turned into hell, and all the nations that forget God" (Psalm 9:17). How can we ignore such a plain affirmation of what seemingly lies ahead of us? All nations, and that includes this one, shall be turned into the abyss by the same God who exalted it! This is the nature of God and is the destiny of our land. **Bulletin Digest**

Man and Creation

An atheist scientist came to God and said, “We’ve figured out how to make a man without you.” God said, “OK, let me see you do it.” So the atheist bent down to the ground and scooped up a handful. But God stopped him and said, “Oh, no you don’t. Get your own dirt!”
