

**GOD BLESS AMERICA,
LAND THAT I LOVE.
250 years of blessings.
Watermelon Supper Tonight
After services.**

From Dan's desk:

We are reminded that this is America, the greatest nation of God's earth. Our Nation has been blessed with 250 years of existence and with provisions for all of us by our Father in heaven. We gather this morning as God's children and the church of the Living God to honor Him. We are free from oppression that would prohibit us from doing so. We are glad that you have joined us. It is great to gather with the children of God to worship Him and to glorify His name. As long as we honor and bless our Father, the blessings will continue. This is God's promise to us. If we fail to remember that He is God and the ruler of the universe, it will result in God's disapproval and our demise. "Blessed is the nation, whose God is the Lord." "The wicked shall be turned into hell and the nations that forget God. The future of this great United States of America now, and has in the past, will rest upon whether we esteem our Father and God. May we never be guilty of turning our backs on God and refusing to give Him the glory that is due Him. We must work together to make our Nation a Godly nation. Neglect will only result in many unfavorable consequences. We are called to rise up and do what we can to make our country one that God will honor.

"A NATION THAT HONORS GOD" Psalm 72

Because government is instituted by God as His "minister for good" (Romans 13:3-4), it functions best when leaders honor and obey Him. Throughout Israel's history, God commended kings who followed His laws and worshipped only Him. The course of the nation was influenced by each king's beliefs and behavior. Since this principle is still applicable today, righteous leaders have tremendous potential to affect their nation in a positive way. The Lord will guide and support God-fearing leaders who seek His wisdom and direction for their decisions. As important as rulers are in determining a nation's future, its citizens also play a vital role, especially in democracies where leaders arise from within the populace. Christians who share their faith and raise children in God's ways can influence their nation's values and choice of rulers. When both leaders and citizens align their views with God's, the helpless are protected, the guilty are punished, and the innocent are vindicated. Looking at our nation today, you might feel discouraged. But you can make a difference in your circle of influence by living compassionately and sharing the good news of Christ. The more the love and freedom of Jesus is understood, the more our nation can be blessed by its citizens. DAN

PROMISES, PROMISES, PROMISES

In **Matthew 6** it is expressed that God knows what man needs. The passage as a whole expresses God's providence for his creation and for the Jews, though the Jews would have the specific material promises in mind that God only gave them. As the New Testament progresses, God reveals additional provision for all mankind through the gospel and the completed revelation of His will. **2 Timothy 3:16-17** expresses the Word's acceptance into a man's life allows him to be equipped for every good work, which happens to be man's purpose (**Ephesians 2:10**). **2 Peter 1:1-3** establishes the knowledge of that same word has been given so that man has all he needs for his walk in life and godliness. Yet, these are just statements of provision regarding man, not promises of material goods. Are there promises of God involving material possessions for His Christian Followers?

In answering the above question, consider that God provides by providence in many ways to His creation. He also promised very specific things applicable to individuals, His apostles, and Christians that applied only to them and the first century (specifically the endowments through the provision of the Holy Spirit). God's promises to Christians are relatively few in number when compared to the extensive material and national promises given to Israel. The New Testament focuses far more on spiritual and eternal promises than on temporal and material ones.

The Promises of God to the Christian:

1. Forgiveness of Sins – **Acts 2:38, I John 1:9**
 2. Eternal Life – **John 3:16, I John 2:25**
 3. Resurrection – **John 6:40, I Corinthians 15:52**
 4. God's Presence – **Hebrews 13:5**
 5. Wisdom – **James 1:5**
 6. A way of Escape from Temptation – **I Corinthians 10:13**
 7. All Spiritual Blessings in Christ – **Ephesians 1:3**
 8. An Inheritance – **I Peter 1:4**
 9. Suffering – **Philippians 1:29, 2 Timothy 3:12**
- Final Victory – **Romans 8:33-39** DAN
