

We welcome all visitors to our services this morning. It is good to see all members.

From Dan's desk:

The month of July is moving right along. Each week we witness new faces among us. That is great. If you are a guest in the audience this week, we are glad that you are here. The church is blessed. The Nation is blessed. We were made happy at the baptism of AXEL ROBERSON and AMANDA WARREN. We are so proud of them and sorry that we accidentally omitted this from the church bulletin. They were baptized on Sunday June 21st. Our lives are being blessed each day by our loving Lord. We have had a number of people on the sick list recently, but many of them are improving. We continue to lift them up in prayer. We are in the process of constructing a new studio, for the purpose of taping the "Give Me The Bible" television program. We will no longer be able to film in the Dallas area and we are looking ahead to make provisions for us to continue filming the program and making it available over the airways. Thousands of people watch the program and many are being saved as a result of our time and energy. Making it available is a joy. We thank each of you for your help and support of our work in evangelizing the lost and bringing them to Christ. Thanks again for being present this morning and we hope to see you at the evening service at 6 P.M.

We are happy for them. We accidentally omitted this information from the bulletin.

A ship was sailing past a remote island and discovered a man who had been stranded there for several years. They went ashore to rescue the man and noticed he had built three huts for himself. They asked him, "What is the first hut for?"

He said, "That's my house."

"Ok, so what's the second hut for?"

"That's my church."

"Ok, so what's that other hut over there for?"

"Oh... that. That's the church I *used* to go to."

UNDER CONSTRUCTION

We are converting the first room on the left going down the hallway into a studio for "Give Me The Bible." We are unable to tape the program in Ft. Worth after August and so we moved it to the church here. We appreciate your cooperation while we are under construction.

Teen News

Good morning and welcome to services. We are so glad you were here. We had a great week this past week preparing for a Lamp Camp, attending summer youth series, dinner at Little Mexico and a great girls Bible study. This evening we will kickoff lamp camp being hosted by our youth group. We will have lamp camp tonight tomorrow night and Wednesday night, but we will not be holding it on Tuesday night as the youth group will be attending summer youth series in Appleby. Following Monday night's Lamp Camp, all youth helpers are invited to our house for swimming and snacks. See everyone tonight!

"DON'T ADD TO, OR TAKE AWAY"

Rev. 22:18-19

The warning from the book of Revelation is very clear, "...if anyone adds to them, God will add to him the plagues... if anyone takes away from the words of the book of this prophecy, God will take away his part" (22:18-19). Should man go so far in his pride that he would rewrite the code of our physical bodies to "improve" what God had originally made? Likewise, should man be so arrogant that they would change anything of what has been written as though it needed changed or updated? I understand that they are not the same things. Both have huge implications, only one has eternal consequences. "You therefore, beloved, knowing this beforehand, be on your guard so that you are not carried away by the error of unprincipled men and fall from your own steadfastness" ([2 Pet. 3:17](#)). Many are dissatisfied with the pure Word Of God. That is why so many churches have gone off the rails. May God help us to always be true to the bible and never attempt to alter the scriptures in any way.

A GOD WHO CAN NEVER BE SHAKEN

People often appear to be absorbed in looking for what we figuratively describe as a "piece of the rock." We want safety and security. Where we look for such is the most crucial factor in determining whether or not we find it. David was a great man of God who maintained his personal peace and serenity in the midst of great danger and adversity. In the land of Israel, his life was sought by an insane king who was filled jealousy because of David's military prowess. In the nations around Israel, David was a coveted prize to any soldier who might be able to kill or capture him. Having no earthly home in which to seek shelter, David resorted to the life of a cave-dweller, always staying just one step ahead of those who were seeking his life. In spite of such awful circumstances, David describes his peace of mind which came as a result of his unwavering faith in a God who would never forsake him. In Psalm eighteen, he exclaims, "I love You, O Lord, my strength." The Lord is my rock and my fortress and my deliverer, My God, my rock, in whom I take refuge; My shield and the horn of my salvation, my stronghold. I call upon the Lord, who is worthy to be praised, And I am saved from my enemies" (vss. 1-3).

David had a piece of the true rock. Such confidence and strength does not come through a trust in human power, wisdom, or glory. It comes only through trust in God as our rock of refuge. While the world may crumble around us, our confidence is in a God who can never be shaken.
