

Welcome to our services today.
Children's Bible Hour Has Re-
sumed In The Chapel Each Sun-
day Evening At 6 P. M.

From Dan's desk:

Sunday morning worship is always a thrilling experience of God's Children. The love and commitment that is a part of who we are is truly a tremendous blessing. The opportunity to sing and express our devotion to our heavenly Father is a blessing that many do not have. If for some reason you can't be present, Dwight puts the lessons on the internet at our website and they are available for you to watch or listen to as well. We have a lot people who are home-bound (members and people all over) and cannot be with us because of age, sickness, job, etc. We appreciate Dwight and his efforts to provide this blessing each week. If you have come this morning to worship with us, please know that we are grateful for your attendance and that is served to encourage many. Remember that Children's Bible Hour has resumed again. Your example as a Christian is noticed by so many people in the community as well as those in the Body of Christ. We are still looking for you on Sunday evenings at 6 P.M.

UNDER CONSTRUCTION

We are converting the first room on the left going down the hallway into a studio for "Give Me The Bible." We are no longer able to tape the program in Ft. Worth and so we moved it to the church here. We appreciate your cooperation while we are under construction.

TEEN NEWS

Good morning and welcome to services! We are so glad you are here. It's almost officially fall, and we are hoping the cooler temperatures are here soon. We have a lot of fun things planned for October and November, so be sure to pick up an October calendar. Bible Hour has resumed and we are having a wonderful time teaching our children about God's word. We do invite youth group members to serve as helpers in our Bible Hour program! To serve as a Bible Hour helper, youth group members should be growing Christians who have put Christ on in baptism. We ask that you attend Sunday morning worship each week prior to helping on Sunday night, as we don't want helping in Bible Hour to interfere with worshipping and taking the Lord's Supper on the first day of the week. If you are interested in helping out, please see Alison or me. Hope everyone is having a great week! DOUG
