Happy Easter!!!! I hope you all are having a great weekend. Thank you Adam Harding for the presentation on the Isle of Patmos last Wednesday. We all enjoyed it! I hope that everyone will reflect on what Easter is really about today. I'm so happy to know that our Lord has risen from the grave and gives us hope of eternal life. Let us encourage one another to obey the gospel and share this hope together. See you all tonight.

"READ IT AND READ IT AGAIN"

Sometimes words and phrases fly by us as we read and we get the gist of what's happening but miss a lot. Then, something happens that causes us to notice a detail we missed before, and we start seeing the details all over the place. Even better, sometimes we read scripture and we begin to see all around us how it applies and guides us in the right way. It quits being a detail and becomes a living and important thing! Several stories in scripture capture these eye-opening moments. Mary was unaware that the gardener with whom she spoke was really Jesus until he uttered her name (John 20:22-18). Two men walked down the road towards Emmaus told a stranger of their disappointment that Jesus, a mighty prophet, had been killed. Once his identity was clear to them, they said, "Didn't our hearts burn within us while he talked on the road, while he opened to us the scriptures? (Luke 24:32) Keep your eyes open. You never know what you might miss if you don't! Read it and read it again. It amazing what you often miss. DAN

One Responds For Prayer Welcome To Our Services

From Dan's desk:

Today is Easter Sunday. We are glad that you have come to be with us. We have many visitors today and we hope you will come again soon. We celebrate the death of our Saviour each Sunday here at Crockett Rd. The death of Christ resulted in the opportunity for salvation for those who come to Jesus and are baptized for the remission of their sins. How grateful we are not only for His death, but for the resurrection that occurred some three days following His death. Last Sunday DEBRA PLUMMER came asking for the prayers of the church here. She expressed her desire to rededicate her life to the Lord Jesus. We rejoice with her on this decision and our prayers continue be lifted up to God in her behalf. Thanks to David and Jennifer Sparks for hosting the Easter Egg Hunt for the young children in the church yesterday. Those in attendance had a great time. This is a big undertaking and we appreciate David and Jennifer for opening their home and property for this event. We have a great church. It is wonderful to see so many young people. Last week we counted the number of youth from birth to twelfth grade and the number was over fifty. That is great. It tells us that the future is bright for the Crockett Rd. Church of Christ. We are grateful for all the teachers in the younger classes and those who work in Bible Hour and those who work with the teenagers. We know that through your efforts, the Lord's Church is made stronger. Thanks for all you do to energize the Kingdom of God. See you tonight.

RESPONSES FOR PRAYER & REDDICATION

DEBRA PLUMMER

THANK YOU

A big thank you to David and Jennifer Sparks for hosting the annual Easter Egg Hunt. We all appreciate you opening your home to the young children. Everyone enjoyed your hospitality and kindness.

Keep smiling, positive and optimistic as others are watching your example. Let them see Christ in your life.

"Neglecting Biblical Authority"

God's word is the authority or standard by which all people will be judged on Judgment Day. Jesus says in John 12:48, "He who rejects Me, and does not receive My words, has that which judges him, the word that I have spoken will judge him in the last day." People may ignore God's word now, but on Judgment Day they will not be able to ignore it. God does not intend for His authoritative word to be changed by man. We read in Revelation 22:18-19, "If anyone adds to these things, God will add to him the plagues that are written in this book, and if anyone takes from the word of the book of this prophecy, God shall take away his part from the Book of Life." Either way he will be lost. People are not taking God seriously. Even though the world may neglect it, we must not neglect to follow God's authoritative word if we want to go to heaven. Hebrews 2:3 says, "How shall we escape if we neglect so great salvation, which at first began to be spoken by the Lord, and was confirmed to us by those who heard Him. There is no escape if one neglects to obey God's authoritative word. DAN
